COACH CERTIFICATION COURSE FOR BASEBALL & SOFTBALL

American Sport Education Program
A Division of Human Kinetics

"ASEP is committed to improving amateur sport by encouraging coaches, officials, administrators, parents, and athletes, to embrace the athletes first, winning second philosophy and by providing the education to put the philosophy to work." *- Rainer Martens, PhD, ASEP founder*

The Recreation Department is sponsoring coaching certification courses for all coaches and interested parents. The certification program is **mandatory** for all coaches participating in Village sports. The course is a combination of coaching youth sports philosophy and individualized sport specific instruction. It's offered in two formats; a classroom course and an online course. After passing your certification test your name will be entered in the National Coaches Registry and your certification will be valid for three years.

1. **Classroom Course:**
   Date: Saturday, March 24th, 2007
   Time: 9:00 – 1:00 pm
   Location: Edgewood School - Multi Purpose Room and Gym
   Materials Offered: A Coaching Youth Clinic Course Study Guide & Sports Specific Book and take home test will be distributed during course.

2. **Online Course:**
   The online course can be completed at home on your personal computer. Coaches have the flexibility of completing the course at their leisure within the allotted time determined by the Recreation Department. (Approximate total time of online course is 2-3 hours).

   Materials Offered: Upon registering a Key Code and directions to access your course online will be emailed to you. Upon receiving the email you may begin your course. A Sports Specific Book will be available with your online course in a pdf format.

Cost: Free – Pre-registration is required for either format. Please complete form below.
