PARKS AND RECREATION

CERTIFICATION COURSE
BASEBALL & SOFTBALL

American Sport Education Program
A DIVISION OF HUMAN KINETICS

"ASEP is committed to improving amateur sport by encouraging coaches, officials, administrators, parents, and athletes, to embrace the athletes first, winning second philosophy and by providing the education to put the philosophy to work." *- Rainer Martens, PhD, ASEP founder*

The Recreation Department is sponsoring coaching certification courses for all coaches and interested parents. The certification program is **mandatory** for all coaches participating in Village sports. The course is a combination of coaching youth sports philosophy and individualized sport specific instruction. The course will be conveniently offered in an online format.

Pre-registration is required. After passing your certification test your name will be entered in the National Coaches Registry and your certification will be valid for three years.

The online course can be completed at home or at work on your computer. Coaches have the flexibility of completing the course at their leisure within the allotted time determined by the Recreation Department. (Approximate total time of online course is approximately 2-3 hours).

Course Start Date: A key code and directions to access your course online will be emailed to you. Upon receiving the info you may begin your course.

Materials Offered: The sports specific book will be available with your online course in a pdf format.

Cost: Free – Pre-registration is required. Please complete form below.
